

Atharva Institute of Management Studies

Activity / Event report

Name of Event	: Visit to Automation Expo
Date(s) of Conduction	: 14th August 2025
Class / Semester	: MMS (Operations) Batch 2024-2026
Number of Students participated	: 9
Faculty coordinator	: Prof. Ganesh Apte, Dr Nitin Godse
Coordinator/committee	: Atharva Institute of Management Studies, Malad, Mumbai
Event Mentor/Guide	: Prof Ganesh Apte, Dr Nitin Godse

Description

Objectives:

- To explore the latest advancements in industrial automation and robotics.
- To gain exposure to cutting-edge technologies like AI, IoT, and smart manufacturing.
- To understand practical applications of automation in various industries.
- To interact with industry experts and professionals for career insights

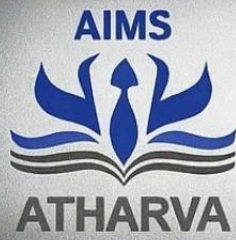

Key Takeaways

- Students gained exposure to the latest automation technologies and real-world applications.
- The expo provided insights into the integration of AI, IoT, robotics, and Industry 4.0 in manufacturing.
- Live demonstrations and product showcases helped students experience practical implementations of automation.
- The visit motivated students to align their academic knowledge with industry demands and future innovations.

Learning Outcomes

- Developed understanding of advanced automation technologies and applications.
- Learned the significance of AI, IoT, and robotics in modern industries.
- Understood the link between automation and sustainability.
- Improved ability to connect classroom knowledge with industry practices.
