

ACTION TAKEN REPORT 2024-25

Stakeholder:

Students

No. of students participated in feedback:

120

Sr. No	Suggestions	Action Taken
1.	Need for more industry exposure	Organized monthly guest lectures and expanded internship tie-ups
2.	More placement support needed	Conducted placement training, mock interviews, and soft skills workshops
3.	Inconvenient academic schedule and exam stress	Rescheduled exams more evenly across the term and added preparatory breaks
4.	Limited access to digital learning resources	- Subscribed to digital libraries and learning platforms (e.g., NPTEL, Coursera)
5.	Insufficient extracurricular and co-curricular activities	Revamped student clubs, increased frequency of events and competitions

ACTION TAKEN REPORT 2024-25

Stakeholder:

Alumni

No. of students participated in feedback:

47

Sr. No	Suggestions	Action Taken
1.	Request for annual alumni meet and networking events	Organized annual alumni meet and convocation ceremony
2.	Want to mentor current students	Launched structured alumni mentorship and speaker series
3.	Weak alumni networking and engagement	Regular Alumni speaks series, active LinkedIn/Facebook groups
4.	Desire to access campus resources for continued learning	Offered alumni access to digital library resources and selected online courses
5.	Need for periodic updates from the institute	Access of Atharva Times to alumni with updates on events, student achievements, and opportunities to contribute

ACTION TAKEN REPORT 2024-25

Stakeholder:

Faculty

No. of faculties participated in feedback:

10

Sr. No	Suggestions	Action Taken
1.	More Faculty Development Programs (FDPs) needed	Hosted quality FDPs related to recent trending topics for faculties
2.	No dedicated research support cell	Established a Research Cell to guide and support project proposals and publications
3.	Limited inter-disciplinary collaboration opportunities	Organized International Research Conference on Digital Transformation 2.0
4.	Lack of incentives for publishing in reputed journals	Provided financial assistance as per research policy to faculties for publication charges

**ACTION TAKEN REPORT 2024-25**

Stakeholder:

Employer

No. of employers participated in feedback:

21

Sr. No	Suggestions	Action Taken
1.	Students need better practical and analytical skills	Added case-based and simulation learning in curriculum
2.	Poor communication skills noted	Held communication and etiquette training
3.	Require domain-specific certifications	Encouraged online certification courses via SWAYAM (One course has been done mandatory for all the students)
4.	Students not updated on current industry trends and technologies	Invited industry experts to conduct regular seminars on current market trends
