## Action Taken Report

On the IQAC meeting with Committee Members held on 12<sup>th</sup> May 2026 at 3:00 PM in the IQAC, 4<sup>th</sup> floor of the Institute:

Agenda Number	Agenda	Action Taken
Agenda 1	Planning for student's internship	Departments have been instructed to prepare internship schedules in coordination with the CMC, and initiate early communication with industry partners for smooth execution.
Agenda 2	Review and strengthen partnerships with industry to improve placement outcomes	New potential industry partners were identified for collaboration through seminars, campus drives, and project-based engagements.
Agenda 3	Introduce structured formats or digital tracking for mentoring progress and Students Profiling.	A common mentoring template was circulated to all departments, and a digital tracking system is being piloted to monitor mentor-mentee meetings and progress.
