7	Deversh

**Objective of the session** : the objective of the session was to inculcate the habit of thinking out of the box and knowing about the emerging concepts like IPR.

A special session was taken discussing with the students about the Intellectual Property Right (IPR) and exploring about Patent, Copy right and Trade mark which is the need of the hour. The Student took active participation in the discussion on the concept of intellectual property

right and patents and trademarks. The IPR being need of the hour and emerging concept which is developing very fast inculcated interest in the minds of the students and the patent to be filed and the importance was also discussed. This was an initiative as innovative teaching topic and out of the box discussion.

**Outcome :** The Students group was enlightened and the session came up with many questions and queries which led to further exploration about IPR.
