**Objective of the session :** The objective of the session was to discuss the domain knowledge based on the Job description and also to discuss the concept of intellectual property right. The idea behind the session was to enhance the employability of the students and making them aware about what the industry demands and what are the new and emerging concepts like Intellectual property right.

**Outcome :** The student were very much attentive and participated in the discussion. It was an interactive session discussing the present trend of IPR and patents and copy rights. The students group was very happy discussing the new avenues of knowledge and it gave them confidence to face the challenges and changes in the industry and registering the knowledge in their name.
