

INDUSTRIAL VISIT MMS - 2021-2023: JAISALMER & JODHPUR, (RAJASTHAN)

The MMS 2021-2023 students went on an Industrial Visit to Jaisalmer and Jodhpur, Rajasthan, from 28th February to 5th March 2023. The purpose of the visit was to provide the students with an opportunity to gain practical exposure and learn about industrial processes and practices in different environments.

90 students were accompanied by two faculty members, one Admin staff, and the Tour guides as they began their journey at 3 pm on 28th February 2023, by boarding the train from Dadar Terminus to Bhagat ki Kothi station. The train journey was a 16-hour journey, which the students truly enjoyed. They spent their time chatting, singing, dancing, and playing games.

DAY 1: 01/03/2023

On the first day of their trip, the MMS students arrived at Bhagat ki Kothi station in Jodhpur, Rajasthan. The students were eager and excited to start their academic tour, and could hardly wait to delve into the culture and history of this incredible destination. As the students stepped off the train, they were guided by their tour guide for the rest of the journey. Once everyone had gathered their luggage, they all boarded the bus that took them to Nirali Dhani Hotel in Jodhpur for breakfast. The ride took around 30 minutes, during which the students were treated to an amazing view of the city. They saw the stunning architecture and the colourful culture around them.

Upon arrival at the hotel, the students were welcomed by the staff who directed them toward the dining hall. The hotel had arranged some delicious breakfast for the students, consisting of delicious delicacies. The students were thrilled with the food and enjoyed every bite. Post breakfast students boarded the bus to leave for Jodhpur for their overnight stay at Hotel Desert Palace.

After a comfortable four-hour journey, the bus arrived at the Desert Palace, an exquisite heritage property that is now converted into a hotel. Students, Faculty members, and Tour guides were then escorted to the dining hall where a sumptuous lunch awaited them. The menu included a wide range of vegetarian dishes, along with traditional desserts.

In the evening, the students left for sightseeing at Gadisar Lake, another popular tourist spot in Jodhpur. The lake was built in the late 14th century by Maharaja Gadi Singh and was a primary source of water for the city at that time. The students were fascinated by the serene beauty of the lake and the intricate structures built around it like temples, havelis, and chhatris. The students spent a leisurely hour at Gadisar Lake, boating, clicking pictures, shopping, and enjoying the scenic beauty. They then returned to the bus and headed back to their hotel for a splendid evening which consisted of traditional Rajasthani folk music which the students thoroughly enjoyed. The day came to an end with an exquisite dinner and traditional desserts.
