

## **Atharva Institute of Management Studies**

### **Activity / Event report**

Name of Event/Title : National Pollution Control Day

Organization : Atharva Institute Of Management Studies

Date(s) of conduction : 2<sup>nd</sup> December 2025

Faculty coordinator : Dr. Sudhir M. Purohit

## **DESCRIPTION**

Objectives: The objective to observe and remember is to venerate the victims of the 1984 Bhopal Gas Tragedy and to create awareness about the environment pollution.

Key Takeaways: Trees are like our parents who not only gave us birth with healthy and fresh air but is also taking care for our future. We should not only protect trees but also plant enough trees to protect the environment. Atharva is always committed to save the environment.

Learning Outcomes: To maintain the healthy air and control pollution tree plantation is the only option and contribution to protect the environment.

The concept of **"Meri Mati Mera des"** a true remembrance of our freedom and progress and our love towards our motherland.
