Report on Book Review Session conducted under the Project Friday 30

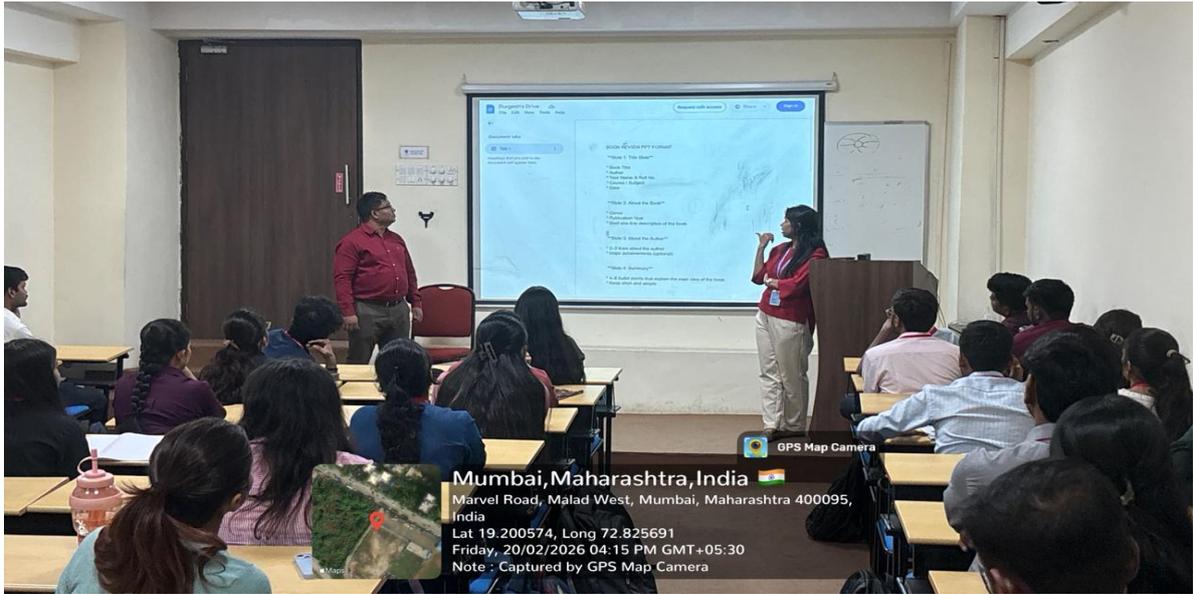

I would like to present a report on the Book Review Session conducted in our college under the Project Friday event. The session was organized with the objective of encouraging students to develop the habit of reading and to understand the importance of books in personal and professional growth.

The session was conducted by our respected faculty members, Dr. Swati Agarwal Ma'am, Dr. Vaibhav Patil Sir, Dr. Monika Shrimali Ma'am, and Prof. Kajal Desai Ma'am. They explained to us the significance of reading books and how it helps in improving vocabulary, communication skills, critical thinking, and overall personality development.

Dr. Swati Agarwal Ma'am specifically guided us on the proper format of writing a book review. She explained the structure, which includes introduction of the book, summary of the content, analysis of key themes, personal opinion, and conclusion. Her explanation helped us understand how to present our thoughts in a clear and structured manner.

During the session, we were asked to pair up according to our mentor-mentee groups into a pair of two to discuss and select books for review. This activity encouraged teamwork and interactive learning among students. The faculty members also suggested that we read books that contribute to our overall development, including self-help, motivational, and knowledge-based books.

Overall, the session was highly informative and motivating. It encouraged us to develop a reading habit and understand the importance of expressing our views effectively through book reviews. The session was well-organized and beneficial for all students.
