Class / Sem	: Class Room No 8 Sem I
Faculty coordinator	: Dr. Sudhir M. Purohit
Student coordinator/ committee	: Aditi Yadav Roll no B 46

DESCRIPTION

Objectives: To create an awareness amongst the student about the importance of Constitution of India

Key Takeaways: Today we celebrate Constitution day marking 26th November 1949..... the day India adopted it's constitution. It reminds us the vision of Dr. Baba Saheb Ambedkar and the farmers who shaped a future where justice, equality and dignity belongs to every citizen. While Republic Day is when constitution came into force, today is about appreciation the thoughts and courage that built it.

Learning Outcomes: The student learnt about the importance of constitution of India. Advocate Aishwarya Raghvendra addressed the students of Div B of Sem I of AIMS that as a citizen, the best way to honour this day is not just by knowing our rights but by actually practicing them. Let's honour this day not just in words but in the way we live. Jai hind
