### **Report on Project Friday 29**

#### **Design Thinking for Idea Generation**

On 13th February 2026, Atharva University organized its 29th Project Friday session on the topic “Design Thinking for Idea Generation – Think, Design, Create.” The session was conducted in online mode at 10:00 AM.

The guest speaker for the session was Mr. Amar Patil, who is working as a Project Manager and SSD at SAP Labs India Pvt Ltd. As an experienced industry professional, he shared practical knowledge and real-world insights with us.

During the session, he explained the concept of design thinking and how it plays an important role in generating innovative ideas. He guided us on how MBA students should develop themselves according to industry requirements. He highlighted the importance of analytical skills, problem-solving ability, creative thinking, and strong communication skills. He also emphasized soft skills such as teamwork, leadership, adaptability, and a positive attitude.

The session provided us with valuable insights into futuristic vision and innovative thinking. It helped me understand how ideas can be transformed into meaningful solutions through proper thinking and structured design. Overall, it was a very informative and inspiring session. We gained a lot of knowledge and practical understanding from this experience.
