(Approved by AICTE, DTE & Affiliated to University of Mumbai)

(NAAC Accreditated)

# **Staff Development Programme**

On

"Advance Excel Training"

From 30/8/21 to 14/9/21

## **About AIMS**

At Atharva, we believe in creating value through continuous effort to build up future managers. AIMS started with merely 25 students in 2003, which is now ranging to a strength of 300 students per year under our flagship programs affiliated to University of Mumbai viz. Masters in Management Studies(MMS) and three years MMS Program for working executives in Finance, Marketing & HR. AIMS has set quite a few benchmarks in the industry and across the nation by introducing the corporate concept of Mentor-Mentee Program, Stock Market Simulation Program, IT Awareness Programme 'IT Talks', E-Cell, Leadership Talks, Alumni Speaks, Expert Talks, International Research Conferences and Live Projects with reputed brands.

## **About SDP**

The teaching staff members focus on delivering educational content and instruction; non-teaching staff members provide essential support services that are vital for the overall operation and effectiveness of the organization. The staff development program is conducted to foster the growth, learning, and professional development of employees within the organization. It plays a crucial role in enhancing individual skills, improving job performance, and supporting the overall success of the organization. Following are the key objectives of the present staff development program.

## **INTRODUCTION:**

Advanced Excel training delves deeper into the powerful features and capabilities of Excel, enabling users to perform complex data analysis, automation, and visualization. This guide covers advanced functions, data management tools, and techniques to enhance productivity and data insight.
