Introduction

The students of Atharva Institute of Management Studies attended a workshop on Tableau, a data visualization tool, on January 29, 2022.

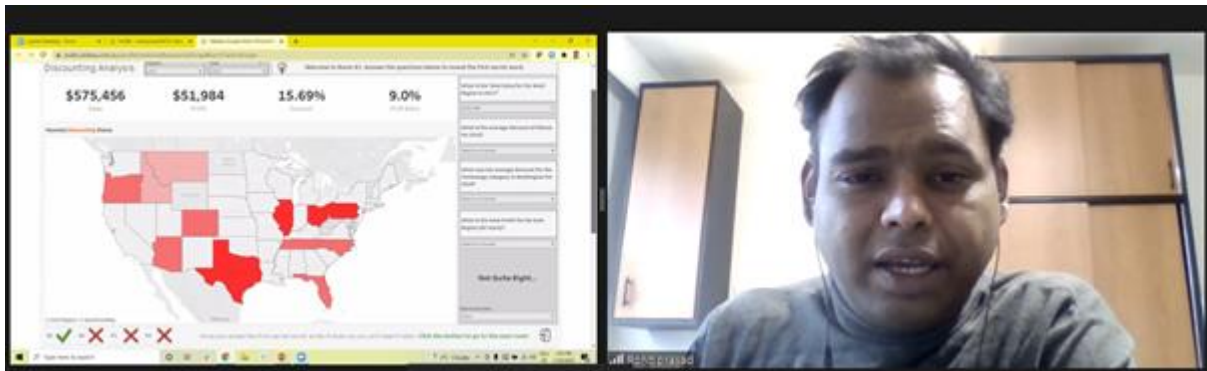

The event was organised by ITM Business School. This workshop was conducted by Prof. Dr. Klaus Schulte, a renowned German Professor of International repute at Münster School of Business and Mr. Rohit Prasad, Tableau Student Ambassador.

About Workshop

The workshop started with a brief introduction to Data Visualization and Tableau key functionalities. The hands-on were provided on 'Rebuild of Hans Rosling's gapminder visualization' in Tableau and on data-analysis & creation of interactive dashboard.

The workshop was highly praised for its interactive nature and practical visualization learning. Around 95 students from Atharva Institute of management Studies gained deep insights and know-how of the Tableau tool.
