KulDew

Car Rental...Refined

Co-Founders
Mr. Bhaskar Dewal & Mr. Vikas Kulkarni

To empower each and every stake holder to join
the main stream Travel business connecting the
world ! "Digitize Industry!"

"KulDew - India's first Car rental
Cloud designed to empower each
and every Cab owner, Travel agent
& Customer to maximize Profits".

KulDew addresses 90% of offline
cab rental market where no players
exists. Balance 10% online market
also addressed through
GaadiBooking.com which is again
India's 1st car rental marketplace.

We are "Growth Partner" for
Cab Rental Ecosystem, Not a
Car Rental Aggregator

We are currently Incubated @ IIM-B
(Mobility Cohort sponsored by
Maruti) – Chosen from 500 startups
across India. Currently we are in top
5 final list.

Silicon India chosen KulDew as top
10 promising Car rental startup.
We are also Govt registered Startup
by DIPP Startup India.

we are live :
